THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. Overall classification

Athletes may take part in all GCT events. Maximum fifty percent of the 2012 GCT competitions held, rounded up to the next whole number will count for points to establish the 2012 GCT overall classification. Events on borrowed horses are excluded from this fifty percent maximum. In case of a tie on points for any position at the end of the season the athlete with the greatest number of first placing will be classified before the other athletes tying for the same position on points. If there is still a tie the athlete with the greatest number of second placing will be classified before the other athletes and so on until all those equal on points have been separated.

A 950,000 € prize money for overall classification will be offered to the top eighteen competitors in the GCT overall classification (tour series) as follows:

1st place	31%
2nd place	20%

CSI5* GCT / CSI1* ESTORIL-CASCAIS (POR) 12-14 July 2012

6th & 7th places	3,5% each
8th till 11th places	2% each
12th till 14th places	1,5% each
15th & 16th places	1% each
17th & 18th places	0,75% each

Prizes won by competitors who are tied are added and divided equally

The top three athletes in the GCT overall classification after the last competition must be present at the last event of the GCT to receive their prize in person and must be available for the press conference following the last competition in the GCT for the season in question.

Athletes must be dressed in competition attire.

No prize money will be given to a rider who does not present himself at the prize giving ceremony for any of the GCT competitions if required to do so. This does not apply for the overall classification except for the top three riders.

Invitation system for each event

Group 1

The riders 1 to 30 (60% of the number of riders participating) on the Rolex Rankings two months prior to the event are invited. In case of riders declining invitations replacements will be selected from the Rolex Rankings in descending order. Riders in this group cannot be lower on the Rolex Rankings than 150th place. Substitutions will be taken in descending order until 10 days prior to the start of the Event (this applies also to the FEI wild card); for the events organized outside European countries, due to the requirements for horse flights and health documents, the deadline will be 30 days before the event. After this date the place(s) will be allocated by OC (Group 3).

Group 2

Five participants are selected in Group 2 (10% of the number of riders participating) : 4 will be home riders and will be selected by NF. Also included in this group is 1 FEI Wild Card. The 4 home riders are selected by the home National Federation and the FEI Wild Card by the FEI. Should the NF and/or FEI not be able to meet its quota of riders in this group, the quota will be filled by inviting additional riders by OC (Group 3).

Group 3

15 participants (30% of the number of riders participating) are selected by the OC. It is not obligatory that these participants be chosen from the Rolex Rankings.

The FEI will apply a certain amount of flexibility in relation to enforcing the rule obliging OCs to have at least 10 NFs represented.

Entries

In accordance with the current FEI rules on entries, no competitor can enter more than one event on the same weekend without the agreement of both OCs. The penalty for contravening this rule is disqualification from the event. This does not apply to athletes on the definite entry list who have been selected to replace another athlete at a CSIO on the same week end (Jumping rules Art. 251.14). OCs of GCT events will permit athletes who withdraw following the deadline date for the definite entries from a GCT event to participate at a CSI 4* or lower event on the same dates but will not allow participation of such athletes in another CSI 5* on the same dates.

Eligible for each GCT Grand Prix

Participation in each GCT Grand Prix is open to maximum 50 (fifty) athletes .

To be eligible to start in the GCT Grand Prix the competitor must complete in the event one competition with the horse he/she will ride in the GCT Grand Prix (in case of mixed competitions (one round and jump-off or two rounds we consider the first round; in case of a 2 phase competition we consider the 1st phase).

If the GCT Grand Prix is held on the second day of the event and for whatever reason a competitor has not been able to complete a competition on the first day of the event with the horse to be ridden in the GCT Grand Prix, the competitor in question may take part with the horse to be ridden in the GCT Grand Prix in a competition on

CSI5* GCT / CSI1* ESTORIL-CASCAIS (POR) 12-14 July 2012

the same day as the GCT Grand Prix if he / she wishes to take part in the GCT Grand Prix. This exception is only applicable if the GCT Grand Prix is held on the second day of the event.

Designated class for GCT ranking

The class that counts for points in the GCT ranking is the Grand Prix, which takes place on the Saturdays or Sundays of the events.

It is a jumping competition over two different rounds against the clock with one jump off against the clock in case of a tie on penalties for the first place (Art. 273.3.4.):

- A maximum of 18 (eighteen) participants return for the second round based on penalties and time in the first round. In any case, all participants with zero penalties in the first round return for the second round. The participants that tie for the 18th place (penalties and time) are allowed to participate in the second round;
- Participants are classified according to their penalties in both rounds and if necessary according to their penalties and time in the jump-off.
- The participants of the second round not taking part in the jump-off are classified according to their penalties in both rounds and time in the second round;
- The participants of the first round not taking part in the second round are classified according to their penalties and time in the first round.

Starting order

The starting order will be established according to a draw. Participants are divided into two groups based on their position on the Rolex Rankings at the time of the event (we consider the 1st competition day of the event). The competitors in the group with the higher ranked participants start last in the first round.

The order of starting in the second round is according to the reverse order of penalties and time in the first round.

The order of starting in the jump-off is according to the same order as in the second round.

Point system

Only competitors participating in the second round will obtain points in each competition of the GCT.

The following point-system will be used for each GCT Grand Prix:

Place – points; place – points; place – points;

1	40;	11	26;	21	10;
2	37;	12	25;	22	9;

6. VETERINARY TREATMENT AND DESIGNATED TREATMENT AREAS AT FEI EVENTS:

The 2010 FEI Veterinary Regulations include changes in the approach to the procedure for permitting treatments at FEI events, and introduces a requirement that such treatments must take place in designated treatments areas. Designated treatment areas allocated only for this purpose must be provided at events, but certain treatments as specified below may take place elsewhere by agreement with FEI Veterinary Officials (FEI Veterinary Delegates or members of the FEI Veterinary Commission) i.e. in own stables. These changes also reflect the new approach to the FEI List of Equine Prohibited Substances since 5th April 2010 which now contains an exact list of substances that are prohibited under FEI rules. See:

www.feicleansport.org.

Permission to undertake treatments and the location where they take place, is under the control and the authority of the FEI Veterinary Officials present. The following documentation must be completed when permission to treat is required.

Equine Therapeutic Use Exemption (ETUE) Form 1 - Authorization for Emergency Treatment (i.e. involving medication containing Prohibited Substances). This is issued by a FEI Veterinary Official and must also be countersigned by the Ground Jury.

- Treatment generally must take place in allocated designated treatment areas for this purpose unless by special agreement with FEI Veterinary Officials. The only exception to this is a clear emergency, when a retrospective ETUE may be considered, but may not be authorized in all cases

Equine Therapeutic Use Exemption (ETUE) Form 2 - Declaration for administration of altrenogest to mares competing in FEI competitions. This must be submitted before the start of the event. No Ground Jury countersignature is needed.

Treatment may take place in own stables

Medication Form 3 - Authorization for the use of Medication not on the list of Prohibited Substances (i.e. rehydration fluids and antibiotics).

For permission to administer these substances by injection, naso-gastric tube or nebulisation (i.e. with saline only) it is necessary to complete Medication Form 3. For other administration methods of such substances not on the Prohibited Substances list i.e. in an oral form, this form is not required. The form does not need to be countersigned by the President of the Ground Jury.

- Treatment may be required in the designated treatment areas, but in the case of some treatments i.e. intravenous fluids, or lack of sufficient treatment areas agreement may be made for this to be undertaken in own stables
- Agreed treatment areas are required for the supervised activities of Physical Therapists, but such areas for this activity may be the horses own stable.

An agreed treatment area and supervision is not required for simple treatments such as "Ice", water, cold laser, "magnetic therapies", "heated blankets" etc.

Supervision of all such treatments by FEI Officials may take place directly or by requesting to see a copy of the relevant authorization. No treatments may take place without coming under such control and authority except in the case of a clear emergency, when a retrospective authority may be considered, but may not be issued in all cases.

Notes to Organising Committees

FEI Veterinary delegates are to work with Organizing Committees in advance to ensure that treatment areas are available and fit for purpose. They are also to ensure that stewards are aware of the simple guidance above with regard to when treatments areas and permission forms are required and are not.

Organizing Committees are to also ensure that there are adequately trained stewards who liaise fully with FEI Veterinary Officials to assist with the supervision of treatment areas in order to meet the above criteria. If such stewards are not available the FEI Veterinary officials are to designate individuals that can fulfill such a role. The organizing committee is also responsible for making sure the veterinary officials have an office space with a copy machine close to the FEI stables available to them so as to facilitate the required paperwork process. The FEI Veterinary Delegate is required to make only ETUE 1 available to the Ground Jury. ETUE 1, ETUE 2 and MF 3 are required to be kept by the FEI Veterinary Delegate and referenced in their report to the FEI.
